

Updating Your D6 Communicator Settings

NOTE: For those, whose daughters have left Arundel, simply uninstall the Arundel D6 communicator app from all your devices.

For parents still with us who already have D6 installed and configured, you will need to perform the following steps in order to receive information pertaining to your daughter's new form.

For Desktop app

1. Open Arundel D6 communicator app and click on **PERSONALISE**

2. Under personalize untick your daughter(s) old form(s) and tick the new form(s) they/she is in

Arundel School

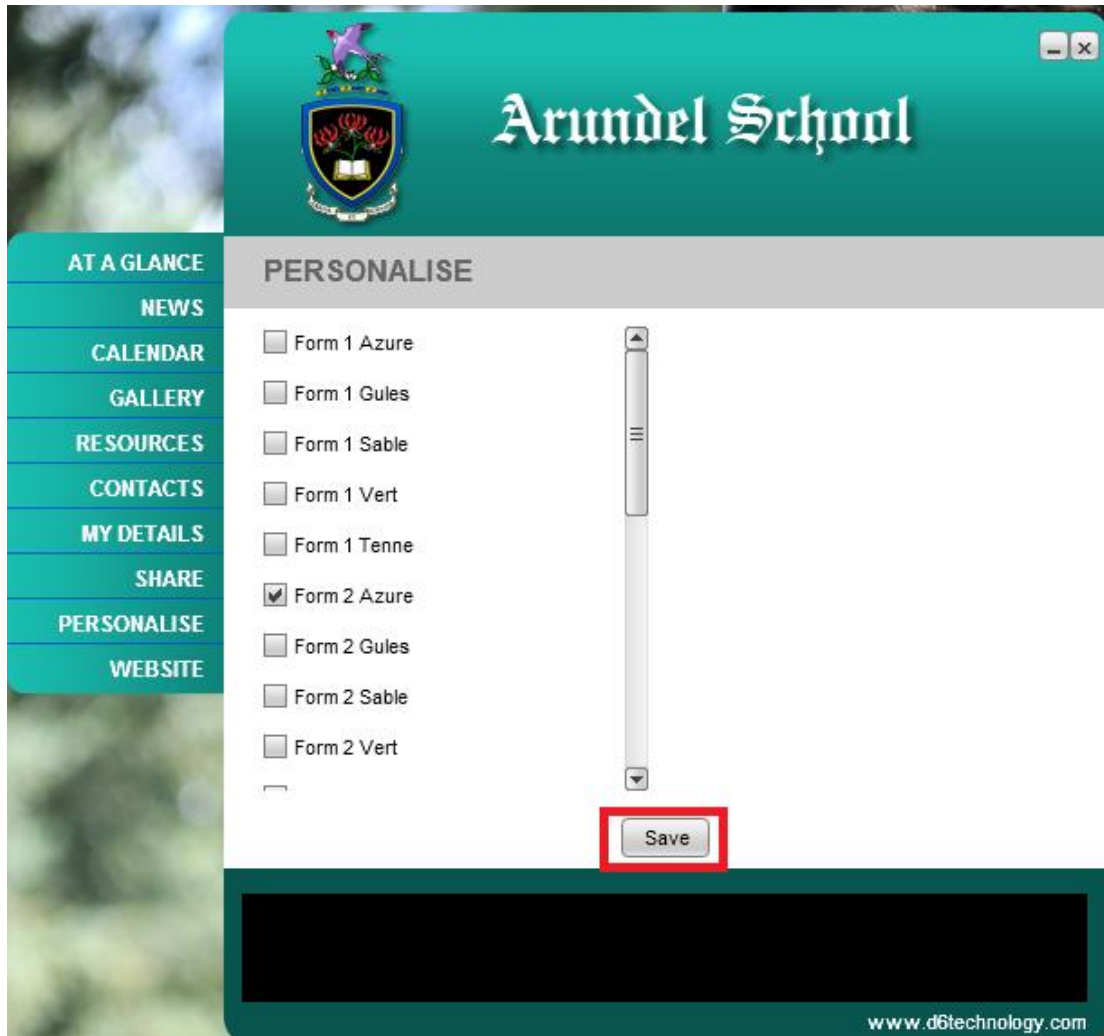

PERSONALISE

- Form 1 Azure
- Form 1 Gules
- Form 1 Sable
- Form 1 Vert
- Form 1 Tenne
- Form 2 Azure
- Form 2 Gules
- Form 2 Sable
- Form 2 Vert

Save

www.d6technology.com

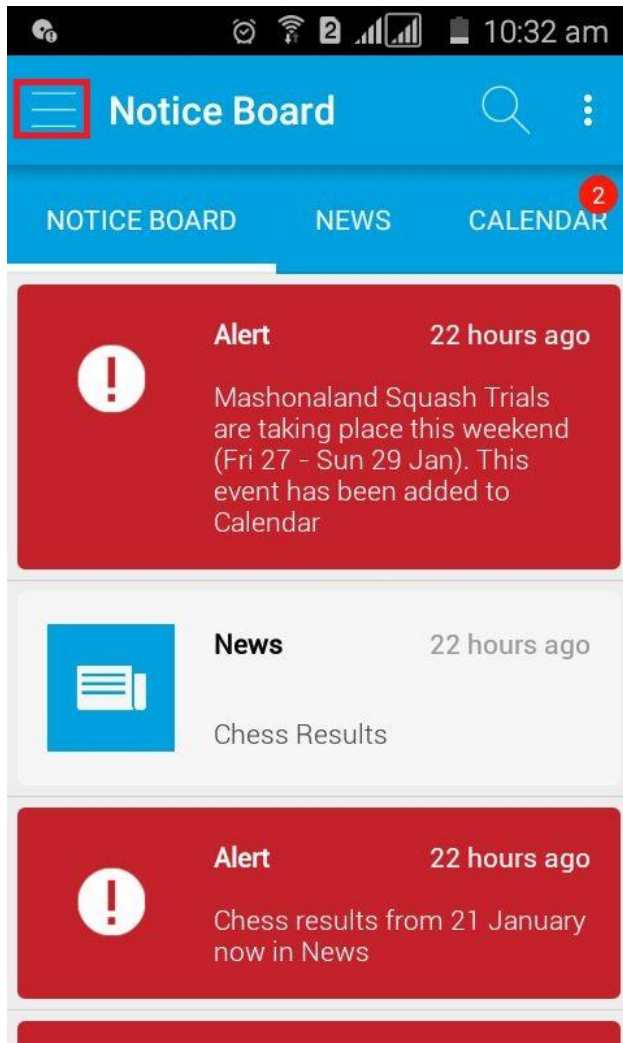

3. Click **SAVE** after unticking and ticking all relevant form(s)

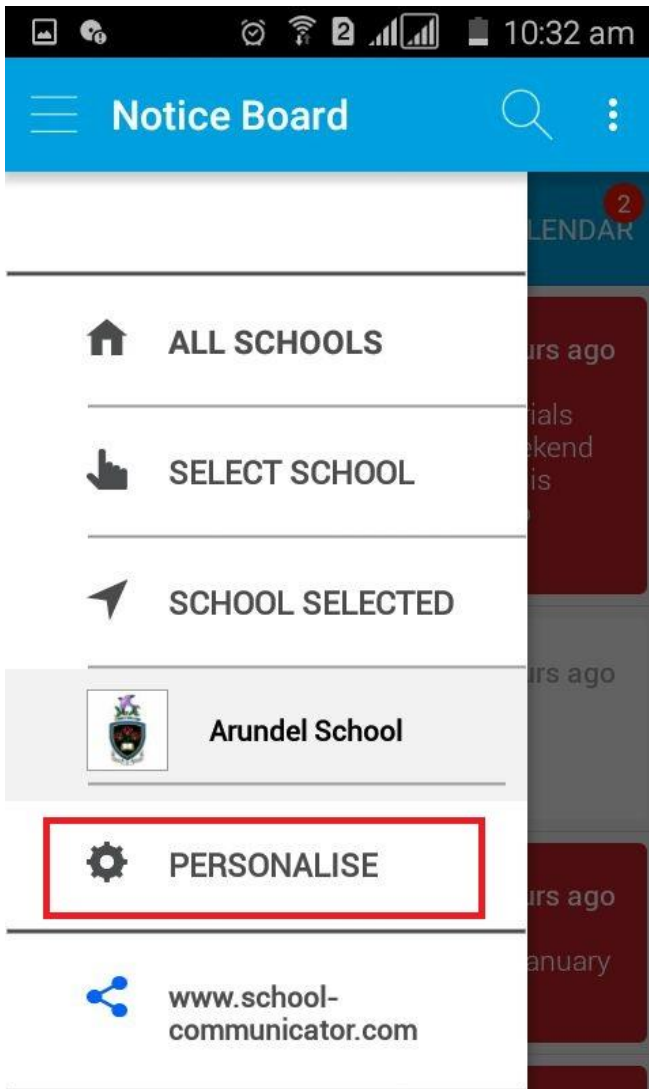

That is all. You have successfully updated your setting to receive information for your new form.

For Mobile app (instructions given for Android handset but all other mobile devices have similar steps)

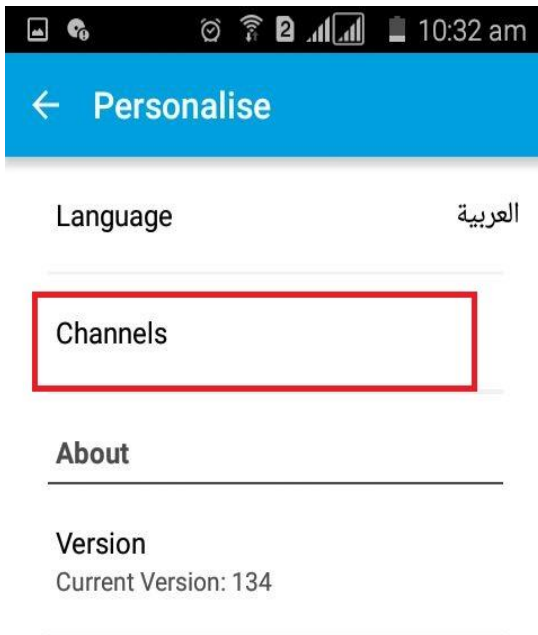

1. Tap the menu option of your app. On android it is the three lines at the top left corner.

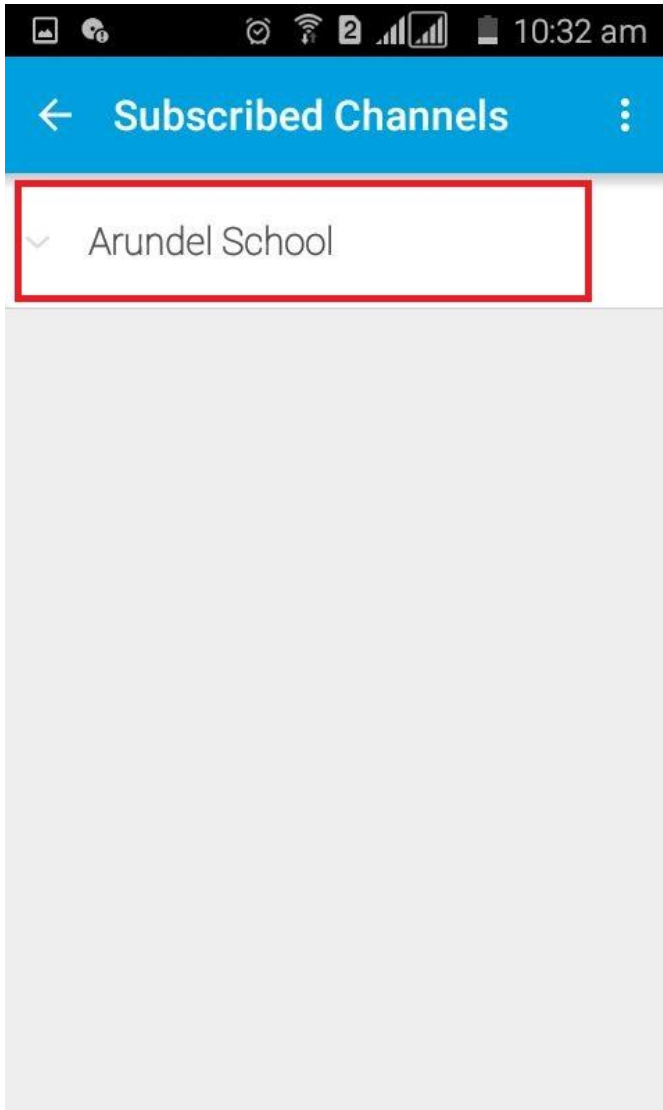

2. Scroll down and tap **PERSONALISE**

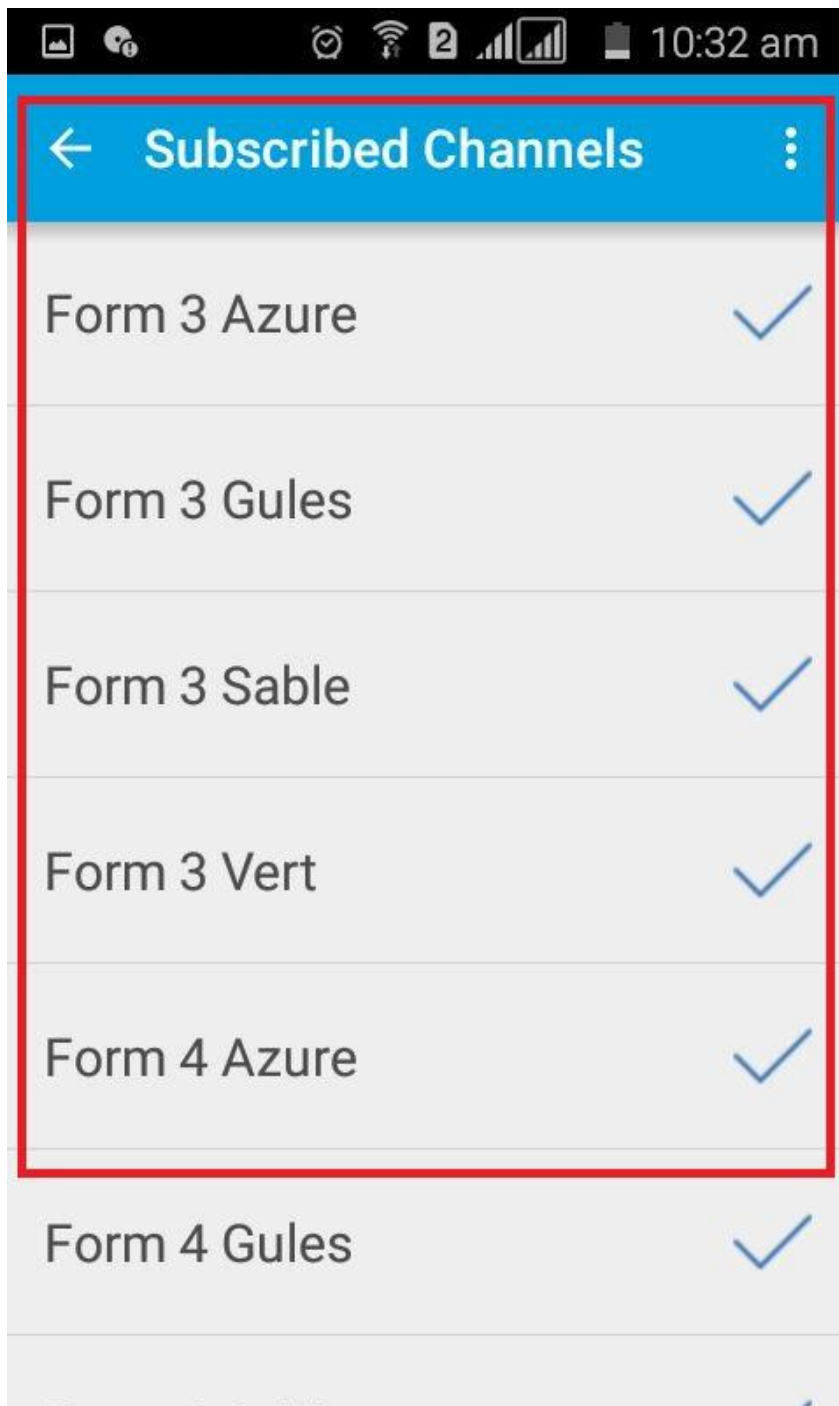

3. Tap **Channels**

4. Tap **Arundel School**

5. Tap your daughter(s) old form(s) and tap the new form(s) they/she is in

That is all. You have successfully updated your setting to receive information for your new form.
