

Arundel School

12th January 2022

Dear Arundel Old Girls,
Re: Arundel Alumnae

A warm greeting to you, Arundel ladies, who, I am sure, will agree with the following statement after spending most of your teenage years at this prestigious institution.

*“Like branches of a tree, our lives may grow in different directions, but our roots remain as one”
Anonymous.*

Arundel School prides itself in nurturing respectful ladies of excellence and integrity, as attested by you, our Old Girls near and far, who have, and continue to fly the Arundel flag high in your different areas of expertise. We stand tall and celebrate all your successes.

We have seen the great need for a robust and vibrant network to keep the invaluable Arundel traditions and seek to bring the Alumnae together, strengthening the bond among the Old Girls’ community. It is you who champion the excellence of Arundel and its students.

The journey to reviving and growing the Arundel Alumnae starts now; the first step is to establish a concise database of all the former Arundel Girls. Once we **connect** and establish our sisterhood: a safe space where we can **belong** and encourage one another, we will then be equipped to **support** our beloved school and the young ladies there.

Kindly take a few minutes to click on the link below and fill in the form to register and join the network. We will be updating you on the exciting activities we have planned for 2022 and beyond in due course.

Please share this link with any of the Old Girls you are in contact with to enable us to grow the Alumnae.
